

October 2002

October Meeting

The regular monthly meeting will be held at the *Department of Game and Inland Fisheries* Building, 4010 West Broad Street at **7:00 PM, Tuesday October 22nd**. The entrance and parking are at the rear of the building.

October Membership Meeting Speaker: Bob Pride Recreational Fishing Alliance in Virginia

Bob Pride, Acting Virginia State Chairman for the RFA, will be the speaker at the October meeting of the VAC. Bob will be giving a wide ranging presentation concerning establishment of a RFA presence in the Commonwealth of Virginia and what the RFA is doing on the national level. He will comment on current developments in the coastwise management of stripers and some interesting wrinkles associated with the drive to protect the Atlantic white marlin. He will also let us see some of the regulatory

activity coming up in the Year 2003 associated with weak fish, stripers and summer flounder.

Bob would like to get input from the membership on subjects and programs on which a Virginia RFA can be of assistance. Please be thinking up subjects and questions for Bob so we can have maximum benefit of his visit with us. This our chance to talk with "the man".

You may have heard that Bob was coming with Jimmy Donofrio, the

executive director of the RFA at the national level. Jimmy has a conflict with some lobbying work on Capital Hill and felt he needed to be present with those tasks that unfortunately came up on meeting night. Jimmy is assisted by Michael Doebly who is the RFA legislative director and works more in a behind-the-scenes role than does Jimmy.

Since 1990, Bob as been hard at work as a volunteer worker and a volunteer advisor working with such groups as the CCA, the National Marine Fisheries Service, the Mid-Atlantic Fisheries' Management Council, the VMRC and other national, regional and state groups concerned with management and preservation of the recreational angling environment. Bob recently obtained his six-pack charter license and is just getting his lines out as a charter captain.

Bob will be joining the Grub Gang which meets on membership meeting nights about 5:15 PM at Byrum's Restaurant in the shadow of the Channel 6 TV tower on West Broad Street. Come join the group if you get a chance.

CATCHY COMMENTS

by Dennis Cline

Flatheads rule, again!! For the second straight month, angler of the month honors were captured by catching a monster flathead. **Mike Baucom's** 23-0 ruled last month. The September Angler of the Month is **Jim Farrell**. Jim's 22-0 on 2 spin scored 550 points! Not far behind was **Bob Shepherd** with a 15-8 flathead on 2 spin that scored 516 points. **Eddy Johnston** placed third with his 14-0 gar on 4 plug worth 400 points. Congratulations y'all.

Larry Allen place a close forth in the angler of the month contest with his 2-15 croaker on 2 spin that scored 391 points. Not to worry, Larry, you now have the leading spin division entry! Larry also took the lead for speckled trout, with a 4-4 on 2 spin from the Piankatank. **Dr. Jim Wright's** 3-0 croaker caught on 6 general claimed a new club record. Dr. Jim has also been busy catching billfish this year, with four white marlin and one blue one. Other than flatheads, the

Continued on page 3.

Upcoming Angling Events

Oak Orchard New York Trout and Salmon October 21-25, 2002

Location: Oak Orchard River, NY (aprox. 10 hrs. driving time)

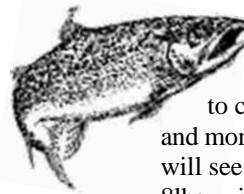

Time: First light until dark

Awards: Cups for Highest point Salmon and Brown Trout

Chairman: Fred Murray 320-4295

Rooms: Call Fred for motel list, rooms fill up fast because of the great fishing.

Tips: Egg Patterns, stone fly nymphs on 6-10 wt. rods. A size 8 red and black nymph was hot for me last year and takes one minute to tie. Call me for info. Several members have made the trip in past years and will be happy to offers tips. This is a great trip to catch 10-30 lb.chinook salmon and monster brown trout. Most days you will see numerous browns from 4lbs. to 8lbs. with a few 12-15lbs!

45th Annual Hatteras Invitational Surf Tournament November 7 & 8, 2002

This year the VAC has put together a top notch team consisting of Lynn Spurlin, Quentin Corbett, Gary Martel, Ray Nuckols, Everett Spence and John Foster. Team strategy according to Lynn Spurlin is to "beat at least one all women's team" and "improve our previous finishing position". No doubt the VAC team will be one to reckon with in the North Carolina surf this year!

Team VAC prepares for Surf Tourney

Tournament Results

The September 14-15 Spotted Sea Trout Tournament was tough even for Mr. Trout, Larry Allen. A few small speckles were reported but none of bragging size. Larry did manage to catch a super Croaker weighing 2lb.15 oz.on 2# spin for 392 points!

CATCHY COMMENTS

(continued)

only recent freshwater action to report is **Eddy Johnston's** quest for the biggest gar. He came close this week with a 12-12 on 2 spin that scored 463 points.

Red drum have been hot and cold in the barrier island surf. We have had several very good days, with zips and single fish days mixed in. **Lynn Spurlin** had a three fish day (32, 36 and 37), **Glenn Carter** had a pair of 38's, **Bob Shepherd** landed a 34 and a 39 and his brother **Bill** scored with a 45 and 34. I've worked hard for my catches this fall, with 14 reds in the 30's and 4 in the 40's in 22 days of fishing. My top red this fall is a 47-0. One 44-0 has made my day twice! I tagged him on 9/17 and caught him again on 9/30! He was strong as a bull the second time around, and is back out there looking for somebody else to play with!

ANGLING RULES

The board of directors approved changes in basic weights for blue catfish to take effect December 1, 2002. The new weights will be published in the November newsletter.

During the past two monthly meetings, the board reviewed and discussed at length the lines approved for use for club activities. There was no action taken and no change made in the current rule. The most recent line test report indicates a vast majority of non-IGFA rated lines exceed the IGFA limit for wet breaking strength. Of 52 lines tested, 77% failed and many exceeded the limit by 50% or more. Eighty percent of the IGFA rated lines passed, as did Stren Original.

Nominations Committee

It is time to put together our team of officers, directors and committee chairs for 2003. The Nominating committee members; Bruce Henderson, Scott Johnston and Mike Cline are looking for a few good men willing to step up and help with the club's business and activities. If you are willing to become more involved or want to suggest someone for a position, please let these guys know.

Raffle for Rockfish Trip

Capt. Bruce Henderson has agreed to donate his services and new ride "Bounty Hunter" (restored 28' Bertram) for a rockfish trip in late Nov. - Dec. We plan to raffle this trip at the October and November membership meetings. The trip is for max. of four people. Winner can choose his crew. Scott Davis will sell tickets for this raffle. Be sure to get a few! One for \$5.00 and/or 3 for \$10.00.

Congratulations to Eddy Johnston

Our newest Freshwater Expert is **Eddy Johnston**. Eddy completed the requirements for the FWE rating with his recent catch of a 14-0 gar on 4 plug. He has several extraordinary catches on his application. Most notable is his current IGFA world record 9-10 bowfin on 2 spin (which he duplicated on 2 general later the same year!). His list also includes a 44-0 blue catfish on 4 general, a 7-2 largemouth bass on 4 plug, a 11-4 musky on 6 general, a 11-4 landlocked striper on 4 general, a 23-0 Chinook salmon on 8 fly and a 3-0 smallmouth bass on 2 spin. Congratulations, Eddy!!
