The Chairman will enter the tournament E-Card for that angler. The catch information must be communicated to the Tournament Chairman in time for the Chairman to enter the card within 24 hours of the end of the particular tournament.

NOVEMBER PROGRAM – KAYAK FISHING

Thanks Rob Choi, Josh Dolin and Grant Alvis for presenting a very informative program about fishing from kayaks designed specifically for fishing; not the kayaks used by the white water guys. Rob’s slide show contained pictures of these guys hoisting aboard some amazingly large fish that took all of their laps and most of their boats too. Rob also covered some Pros and Cons of kayak fishing and gave details of this special type of kayak designed for fishing.

To see what monsters they can hook, reel in and take aboard, please turn to page 8 of this issue of The Angler.

Weighmasters Ryan and Danny Noland are willing to do early certifications of scales between now and the February Membership Meeting.

Contact Ryan at: (804)-658-1955 (H), (894)-896-4178 (C) or ryan.n.noland@usa.dupont.com

Contact Danny at: (804) 514-0650 (C) or danny6749@aol.com

VAC 2016 FISCAL YEAR ENDS NOV. 30 ON A SOUND FOOTING

VAC Treasurer Bill Butler presented the year end budget report at the December VAC Board of Directors’ Meeting. The 2017 Budget is in preparation and will be voted upon at the January BOD Meeting. The VAC finances are in good shape.

Actual 2016 actual income exceeded actual expenses. Actual income for 2016 lagged projected income by a little over \$2,000 (18%). The two largest contributors to this diminished income were less-than-estimated income from dues and from sales in the Country Store.

Expenses for 2016 also lagged projections, being about \$2000 (28%) less than projected. The two largest contributors to expenses being less than anticipated were unspent speaker fees and unspent tournament award expenses. The latter was due

to disappointing participation in the VAC's Tournament Program.

The VAC's cash-on-hand balance is a little over \$15,000 at year end. About 35% of this amount is in a DC, about 61% of this amount is in our checking account and the balance of 4% is funds yet to be transferred out of PayPal.

TOTAL 2016 YEAR END VAC MEMBERSHIP STANDS AT 104

The total membership in the VAC at the end of November was 104 members. The membership divided among classes is: Resident = 81, Non-Resident = 10, Complimentary = 7, Life = 3 and Honorary = 3.

Four New Members joined the VAC in 2016 while 6 Members resigned and 5 chose not to renew their dues. The net loss = 7 members.

New Memberships keep the VAC a viable angling club. Please look among your angling buddies and friends for potential new memberships and bring them to a Membership Meeting. The VAC welcomes men and women equally and young members who have shown promise as interested anglers.

ALL CATCH ENTRIES ARE NOW AUTOMATICALLY TABULATED

Now that all catches are to be submitted on E-Cards, all catch data base entry data and sorting and all Club Records and Annual Award tabulation are handled automatically. This was made possible by a long and complex collaboration involving Angling Rules Chairman Stuart Lee and Newsletter Secretary/Web master Johnny Wetlaufer. Stuart covered verification of the existing and new automatically generated data and Johnny wrote the complex code necessary to permit automatic data entry and related calculations and sorting. The position of Angling Rules Statistician has been discontinued as result of the change from manual to electronic data entry.

If you are not familiar with all of the sorting options available for use with the catch data base, please open the catch data base in the Member's Area of the VAC Website and do some sample sorting. Do not worry; the sorting options have been tested and you cannot harm any data or functionality provided.
